Dennis Báthory-Kitsz

The score consists of 11 numbered measures, each with specific musical and performance instructions:

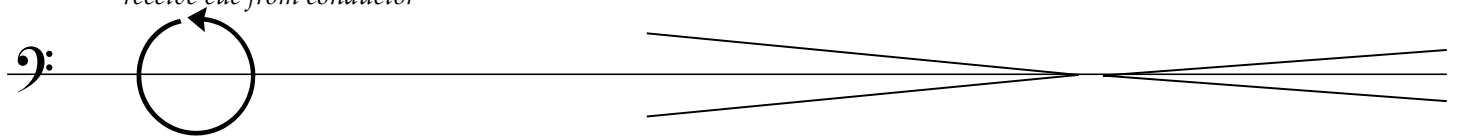

- Measure 1:** A bass clef staff with a circled **1** in a box. A conductor cue symbol (a circle with a vertical line and an arrow) is positioned to the right, with the text "conductor cue" above it and "pp" below it.
- Measure 2:** A solid black line with a circled **2** in a box at the start. A circled **B** in a box is placed above the line with a downward-pointing arrow. A wedge-shaped dynamic marking expands from the **B** to the right, labeled "ppp". A circled **3** in a box is placed above the line, followed by a solid black line ending in a semi-circle.
- Measure 3:** A solid black line with a circled **4** in a box at the start.
- Measure 4:** A solid black line with a circled **5** in a box at the start. Below the line is the text "receive cue from conductor".
- Measure 5:** A musical staff with a bass clef, a key signature of one flat, and a 4/4 time signature. It contains a sequence of notes with accents (>) and rests. The dynamic marking "fff" is written below the staff.
- Measure 6:** A musical staff with a bass clef, a key signature of one flat, and a 4/4 time signature. It shows a dynamic change from "sff" to "subito p" with a wedge-shaped marking. A solid black line with an arrow connects the end of the staff to a final note on a staff.
- Measure 7:** A circled **6** in a box above a circled **6** in a box, which is above a solid black line.
- Measure 8:** A circled **8** in a box above a solid black line.
- Measure 9:** A circled **9** in a box above a circled **1 1/2** in a box, which is above a solid black line.
- Measure 10:** A circled **10** in a box above a circled **9** in a box, which is above a solid black line. A wedge-shaped dynamic marking expands from the **9** to the right.
- Measure 11:** A solid black line with a circled **11** in a box at the start. Below the line is the text "receive cue from conductor". The staff ends with a musical staff containing notes and a dynamic marking of "mf".

**12**

receive cue from conductor

**13**

(together, conducted)

**14**

**15**

**16**

(together, conducted)
