

ROSE QUARTZ CRYSTAL RADIO

Diamond on staff = hummed multiphonic (shown pitch-transposed relative to sax, but sounding in a comfortable octave for the vocal range).

× on sax staff is one foot or knee on C (shown transposed relative to sax) small staff is other foot on F (also transposed)

Diamond above note = almost overblow swell

Slurred note does not cut off sharply; instead, hang it a little with the voice into the foot/knee-driven instrument
