

Go Excelsior!

Having a bad hair day? The Excelsior Mignon Miracle Depilator can restore your pate's original beauty in only minutes! Using a unique combination of heat (375° F), suction pressure (190 on the Enhanced Fujita Scale), and the Phonon Drag, the E2MD removes unwanted hair follicles quickly, cleanly, and painlessly. Sorry, *painfully*. But what's a little discomfort (or a lot, really) when your noggin's smooth splendor is concerned? So the next time you tire of running your comb through that mop on top, just go all natural. Go Excelsior!
