**Every Life Shall Be a Song** is a celebration of life, unity, and music – a setting of a poem by the 19th century British author John Addington Symonds (1840–1893). The text speaks of the future with hope. “A loftier race than e'er the world has known shall rise.” The healing and transforming power of music is essential to this hope. “When every life shall be a song, then all the earth is a paradise.”

The musical expression alternates between added-tone chords (*building* for the future) and melodic phrases (for the more tender passages in the poem – “we will be gentle, brave and strong”). Throughout, the message is triumphant. “These things shall be!”

Widely performed throughout the country, the music of American composer **Gwyneth Walker** is beloved by performers and audiences alike for its energy, beauty, reverence, drama, and humor. Dr. Gwyneth Walker (b. 1947) is a graduate of Brown University and the Hartt School of Music. She holds B.A., M.M. and D.M.A. degrees in Music Composition. A former faculty member of the Oberlin College Conservatory, she resigned from academic employment in 1982 in order to pursue a career as a full-time composer. For nearly 30 years, she lived on a dairy farm in Braintree, Vermont. She now divides her time between her childhood hometown of New Canaan, Connecticut and the musical communities of Sarasota, Florida and Randolph, Vermont.

Gwyneth Walker has been a proud resident of Vermont for many years. She is the recipient of the Year 2000 “Lifetime Achievement Award” from the Vermont Arts Council as well as the 2008 “Athenaeum Award for Achievement in the Arts and Humanities” from the St. Johnsbury (VT) Athenaeum. In 2012, she was elected as a Fellow of the Vermont Academy of Arts and Sciences.

Walker’s catalog includes over 300 commissioned works for orchestra, chamber ensembles, chorus, and solo voice. A special interest has been dramatic works that combine music with readings, acting, and movement. The music of Gwyneth Walker is published by E. C. Schirmer (choral and vocal music) and Lauren Keiser Music (orchestral and instrumental music).
